Greetings in the name of our Lord and Saviour Jesus Christ.

I am writing you today to encourage your heart. As we enter into this new year, it has many great things in store of us as individuals, as a family, as a church body, and as an organization.

I am looking forward to many wonderful things to happen for me, my family, my church, and the Greater Buelahland Fellowship.

Last year was an amazing year, with all that God brought us through, did for us, and allowed to happen to us. As we walk into this year, this year promises to be an amazing year, as well as a trying year, but we should be encouraged because God is always in control, no matter what things look like.

We are being called back to service. We are encouraged to go out into the vineyard and work. There is work for us to do. WE must be busy about our Father's busy. I encourage you to find a place to serve in your church and local community.

This year our state events focus on the same theme that the Bishop has set forth for us as a whole. You will be blessed by the various speakers, teachers, and singers we have enlisted to help us celebrate this year. You can learn more about our events by going to the West Maddocha website located here...

I ask you to search your heart and lay all your concerns before the Lord. Allow Him to speak to you regarding your service, needs, wants, desires, hardships, and endeavors. Let Him guide you through all your journeys. Read your Bible daily, so that God may infiltrate your heart and that you may have a closer relationship with Him. The only way to get to know a person, is to communicate with them. Communicate with God and let Him communicate with you.

In Christ's Service Always,

Pastor Leol Hall Jones
